Product Code	: CO/ZE/1823/A2B/M1824J/FS3/X/UB1/NS/X/PV/P
Product name	: CO EurCo
Version	: 22 EN version
Wind load class	: W1500
Temperature class	: T(D0)
Snowload class	: S125
Ventilator width	: 1626mm
Ventilator length	: 2035mm
Laure type	: A2B Aluminum double +weather seal
Controls	: M1824J 1 Lin. elect. motor 24V, power to open & close
Thermal safety	: FS3 1 Fine overlie easy-release from the exterior
Removable laoure	: X No laoures removable from exterior
Base design	: UB1 Upstand base 110-70x32mm
Flange type	: NS Flange for fixing onto upstands, turned down
Bird/insect guard	: X No guard
Burglar guard	: X No guard
Coating	: PV Poly powder coating 30% gloss
Coverage	: P Purely coated
Upstand design	: S250 Straight upstand 250mm
Technical data	:
Geometric area	: 3.31m
Aerodynamic area	: 2.08m
Throat opening width	: 1626mm
Throat opening length	: 2035mm
Opening width	: 1626mm
Opening length	: 2035mm
Flange type	: NS
Flange width	: 1976mm
Flange length	: 2285mm
Weight	: 69kg
Ventilator height	: 310mm
Number of laoures	: 15
Temp. thermal safety	: 93
Wind load class	: W1500
Temperature class	: T(D0)
Snowload class	: S125
U-value	: 4.43 W/m2K
Power	: 19.2W
Voltage	: 24V
Amperage	: 0.8A
